

OMNIOUS

OMNIOUS is the current music editor of Enter Zagreb radio station whose story with music began at the age of six with classical piano training.

Graduating as a pianist and music theorist, his lifelong passion for music has evolved into developing skills as a music producer and DJ. Inspired by a diverse range of influences, he plays with various electronic genres, including techno, tech-house, and house, and has an ability to create unforgettable experiences on the dance floor. Beyond DJing, he aspires to produce his own music and establish inclusive spaces for electronic music enthusiasts. With a commitment to serving the public through his music, OMNIOUS continues to captivate audiences and leave a lasting impact wherever he goes.

OMNIOUS je trenutni glazbeni urednik na radijskoj postaji Enter Zagreb, a njegova priča s glazbom započela je sa šest godina kada je počeo s učenjem klasičnog klavira.

Nakon što je diplomirao kao pijanist i glazbeni teoretičar, njegova doživotna strast prema glazbi razvila se u vještine glazbenog producenta i DJ-a. Inspiriran raznolikim utjecajima igra se s različitim elektroničkim žanrovima, uključujući techno, tech-house i house, stvarajući nezaboravne doživljaje na plesnom podiju. Osim DJ-anja, teži tome da proizvodi vlastitu glazbu i stvara inkluzivne prostore za ljubitelje elektroničke glazbe. S predanošću prema slušanju publike kroz svoju glazbu, OMNIOUS nastavlja osvajati publiku i ostavljati trajan dojam gdje god nastupa.
